Audit and Consulting Services
Mission Statement

... to provide solution-oriented assurance and advisory services to support stakeholders and executives within North America in the evaluation of business risk, the achievement of operational objectives and the discharge of their stewardship responsibilities to shareholders.
Opening and Closing Meetings

Professional Standards

- 2200 develop a plan
- 2210 objectives should be established
- 2400 communicate engagement results

Little guidance on meetings.
Opening and Closing Meetings

- Textbook
  - Auditors use … memoranda for … preliminary communication. … also telephone or visit with auditee management.
  - The internal auditor should discuss conclusions and recommendations … before issuing final reports.
  - … it is essential that auditors establish constructive relationships with other people in the organization.
  - The best way to ensure effective communication is to plan encounters and to be aware of the communication process as these exchanges develop.

INTERNAL AUDITING Principles and Techniques
- Ratiff, Wallace, et. al.
